Mr. Lustgarten,

I am following up with you regarding your recent FOIA request (tracking number EPA-HQ-2017-00418)--

As discussed in our verbal conversation yesterday, we find the fifth part of your FOIA request ("Copies of all correspondence having to do with OBOD issues and oversight involving the Office of Solid and Hazardous Waste, Federal Facilities Enforcement, Resource and Conservation Recovery, CERCLA, and the office of the administrator since Jan 1, 2010") to be very broad. Can you, in writing, please clarify or more narrowly define your request? Any information on specifically what information you are targeting will help us to respond in a timely manner.

Also, as we discussed, since you are amenable to receiving parts of your request as they are completed, we may respond to you in phases.

If you have any questions, please feel free to contact me at my number below.
